^[1] CM ID is a unique identifier assigned to each transaction that appears on BLMIS customer statements, including customer cash deposit and withdrawal transactions.

^[2] The information contained in these columns was obtained from the BLMIS customer statements.

^[3] Further detail regarding my reconciliation to available BLMIS bank records is set forth in **Exhibit 6**.

^[4] The "n/a" designation indicates where records could not be located, were not produced to the Trustee, and/or are otherwise unavailable.

^[5] The referenced documents are electronic spreadsheets containing several tabs. The tabs that I used in my reconciliation analysis are titled "Sheet7" or "Reconcil."
